ROSEMARY SCHOOL DEDICATION SET TO COINCIDE WITH OSD PROGRAM

Plans for dedication of new Rosemary School on Old Settler's Day were completed at a meeting of Rosemary Home and School Club last Monday, Charles Schmidt, president, announced.

Rosemary School, the first new school to be completed in the newly incorporated city, will have Campbell's first mayor Richard W. Morton, speaker. Program will last from 10:30 to 11:30 a.m., Neal Royer, school principal, said.

Of special interest to spectators and participants, master of ceremonies C. E. Bradley, business manager of Campbell Elementary School District said, will be vocal selections by Josephine Barbano, before and after a speech by Dr. James De Voss, executive dean at San Jose State College.

Miss Barbano, former Campbell resident and graduate of local schools, is now under contract to San Francisco Opera Company. She will be accompanied by her sister-in-law, Mrs. Frieda McDonough.

Following the opening salute to the flag, Rev. Edward Bowling will present the invocation.

Principal Neal Royer will take charge of dedication ceremonies, at which members of Campbell Elementary School District Board of Directors will be present as well as William C. Henley, superintendent of Campbell Elementary School District.

Board members who will be present are: Edwin C. Van De Mark, president, L. E. Means, clerk, Lee L. Anderson, Walter W. Williams, and E. A. Merrill.

Following dedication ceremonies, spectators and officials will adjourn for luncheon served in the school's cafeteria, with Florence Fuller in charge. Folk or square dancing will be held later in the day.

Leaders of many local civic and service clubs will be present at the ceremony at which Rosemary Home and School Club plans to unveil a plaque in honor of the School Board, District Superintendent and other citizens of Campbell who have contributed to the planning and building of the school.

Rosemary School opened last September with an enrollment of approximately 375 students. Present student count is 425. Home School Club has a membership of approximately 400.

NEWCOMER

A seven pound four ounce baby girl was born to Mr. and Mrs. Earl Hamilton of 437 South San Tomas, yesterday morning at 1:12 a. m. at Doctor's Hospital. Latest addition has been named, Carolyn Toni.

Folk Dance Frolic Offers Fun to All

A full afternoon and evening of Folk and Square dancing under the direction of Chairman Norm Corvello, will be presented on Old Settlers' Day Monday, at the Campbell Grammar School Cafeteria and at Rosemary School Cafeteria.

Sets will be squared at the Campbell Grammar School Cafeteria under the direction of Bill Fowler, master of ceremonies and caller from the program and at Rosemary School with Ed Gault and his wife, Ruth, as master and mistress of ceremonies.

Dancing at both places will be held from 2 to 5 p. m. and again from 9:30 to 11 p. m. in the evening.

Fowler is considered one of the most outstanding callers in the Santa Clara Valley and with his wife will stage a few exhibition dances. He also promises to have on hand other well-known guest callers.

Ed and Ruth Gault, well-known Campbell couple, are a popular dance team as well as instructors. They conduct two weekly classes in Folk Dancing under Adult Education program in San Jose. They promise a full and assorted program of dancing.

Norm Corvello, chairman, invites all Old Settler's Day participants and visitors from out of town to enjoy the free dancing at all levels.

APPLICATIONS ARE ACCEPTED FOR POSTAL WORK

Campbell Post Office is accepting applications for Civil Service examinations for substitute clerk carriers, postmaster Ira Grim said this week.

United Civil Service Commission has announced employment opportunities in other aspects of postal work. Applications may be submitted at the local postoffice Ira Grim said.

LARGEST PARADE IN LOCAL HISTORY; SETTLERS' DAY PROGRAM COMPLETED; SUCCESS DEPENDS ON WEATHER MAN

Program, parade, play personnel and other preparations for Campbell's 61st renewal of Old Settler's Day are virtually complete, general chairman Eugene W. Barnes said today, and if the weather continues to hold, officials agree Monday's celebration will enter the records as one of the biggest and best in local history.

Complete program of OSD events appears elsewhere on this page.

NAME WANTED FOR NEW SCHOOL AT GILES WAY

Campbell Union School District Trustees are requesting suggestions from the community for a name to the school that will be located at the end of Giles Avenue between Budd and Lincoln. Plans are now being drawn and the project will be out for bid in June. Name suggestions and a letter giving reasons for name may be sent to the trustees at the Administration Offices of the district on Third St.

Commenting on the district building program, Superintendent William C. Henley said construction of the Hamilton site is progressing satisfactorily, but enrollments are still increasing at record rates. With an increase of 800 pupils expected for September '53, double sessions probably will be necessary in some schools.

Moorpark school will be overcrowded next year. Hamilton school will be overcrowded with its first classes in spite of an 11 room addition now being constructed. The original six room plan at Hamilton is scheduled for completion around Easter.

CITY DICKERS FOR CYCLE FOR POLICE DEPT.

Besides adding a third police officer to its force City of Campbell is negotiating with the City of Santa Clara for a used motorcycle to be used in traffic control.

Need was made known at Council meeting Monday night and at other meetings when suggestions for adding third officer to handle school crossing duties and other traffic problems was discussed.

In another action by city council Monday night, permission was granted to Old Settler's Day committee to hold a parade on the streets of Campbell Monday, Feb. 23, and to use loud speakers in conducting the activity.

Council also granted a use permit to Floyd M. Little to build a duplex dwelling on lot 33 Central Ave.

Grammar School Plans Carnival

A white elephant sale, movies, two musical programs and a fish pond will be among the attractions offered at the "Campbell Carnival" coming to the Campbell Grammar School, March 6, according to Mrs. Ray Martin, chairman for the event.

The Carnival is so named because its guests will move from room to room throughout the evening as each room is participating with a different project.

A refreshment stand with cake, popcorn, hot dogs, coffee and coke will be on hand to satisfy hungry and thirsty celebrants.

A dinner will also be served in the cafeteria from 5 p. m. until 7 p. m.

Mrs. Martin has announced that a final meeting will be held in the school at 7:30 p. m. of February 24th for the committee consisting of Mrs. V. B. Royce, Mr. Howard Keech, Mr. and Mrs. Werner Raab, Mrs. LeRoy Watkins, and Mrs. Richard O'Flynn as well as the room mothers and all other personnel assisting with the plans for the event.

LOCAL MAN LOSES LEG FRIDAY, 13th

Friday the thirteenth, traditional day of ill luck, ran true to reputed form for Ernest Estensen, of Hicks Ave. San Jose, brother of Harold Estensen, president of Campbell Chamber of Commerce and manager of a local appliance store.

Estensen had his left foot amputated above the ankle Friday, after being pinned in the cab of a truck, which crashed into a tree after losing a wheel.

Accident occurred on the Saratoga Highway near Saratoga, when Estensen driving a Raisch Company dump truck loaded with sand and gravel, lost control of the vehicle when a rear wheel came loose.

The runaway truck caught fire on impact, pinning Estensen in the cab.

Onlookers attempted to put out the fire by dumping sand and gravel from the truck bed and finally got it under control.

He was taken to O'Connor Hospital where the operation was performed.

Several blood transfusions were required, but his condition is much improved, his brother said.

MARINES . . . from San Jose recruiting station in full dress blue uniforms bearing the National Colors and the Marine Corps standard will be among the participants in Campbell's Old Settler's Day parade, Monday, Feb. 23, in the 61st renewal of one of the oldest celebrations in the state.

ROTARY HOSTS CUHS CAGERS At Dinner Meet

Coach Walt McPherson, San Jose State College assistant professor of physical education and varsity basketball coach spoke on basketball at Monday's Rotary program arranged by chairman of the day Cel Gerevas.

Campbell High School's basketball team which battles Fremont tomorrow evening for a possible SCVAL title, were guests of Rotarians at the luncheon program.

The High School squad, which under coach Bert Robinson, has posted a 5-1 win loss record to date were especially welcomed and congratulated.

Members of the High School squad present for the lunch and program included: Jerry Zirch, Stewart Young, Tom Hansen, Charles Cantoni, Ken Beth, Tony Schraub, Ron Sparrer, Eric Protiva, Tom Hill, Hal Shumway, Dennis Kelly, Bob Pentzer, Doyle Morgan, Rick Stuart, Don Harris, John Harris, Bill Gregg, Trent Barton.

BUC THIRTIES FACE FREMONT IN FINALS

Campbell lightweight hoopsters end a good season tomorrow night against Fremont in the preliminary to the varsity contest and hope to finish a strong second in the little SCVAL standings.

To date the 30's have won five with the only loss to Live Oak, league leader who engages Morgan Hill in the finale.

Buclets, paced by high scoring Jim Jordan, led all the way to defeat Los Gatos Kittens last Friday 46-23 for its fifth win of the season.

Campbell was out in front 13-4 at the quarter and had pulled to a strong 21-10 lead at half time. After the closing minutes, the game was no contest.

THE CAMPBELL PRESS SPORTS

CAMPBELL, FREMONT TO BATTLE IN SCVAL CAGE CO-TITLE GO

SCVAL basketball game of the week takes place tomorrow night at 8 p. m. when Campbell varsity meets Fremont in an end season, title contest on the local hardwoods.

Winner seems almost certain to share the Valley championship with Washington scheduled to entertain seventh place James Lick at the same time.

Loser of tomorrow's game may share a second place spot with winner of Mt. View-Santa Clara contest, another SCVAL crucial.

Going into tomorrow's games, Fremont, Campbell, and Washington lead the SCVAL pack in a three-way tie with five wins and one defeat for each team.

SCVAL title interest centers on the local game between Campbell and Fremont, since Washington should retain its lead with another victory over James Lick.

Should Campbell fail its title shot, and if Mountain View emerges victorious, Campbell and Mountain View will have to content themselves with sharing second place honors.

Whatever the outcome, the pressure is on, and Campbell High is out for its second SCVAL co-championship of the current school year.

Nine Bucs To Enter SCVAL Mat Finals

Campbell High School sends nine wrestlers to the SCVAL finals at James Lick High school tomorrow afternoon at 3 p.m.

Wrestlers picked who will represent Campbell were chosen at trial matches at Lick Tuesday.

Campbell competitors are: Ted Vossler (103), Ray Higa (112), Syl Barton (120), Bab Balzer (127), Bob Fukunaga (133), Jack Horton (154), Dick Calloway (165), Russ Camilleri (175) and heavyweight Dick Glead.

SCVAL scoring will be four points for championships, two for runners up and one point for pins in any stage of the tournament.

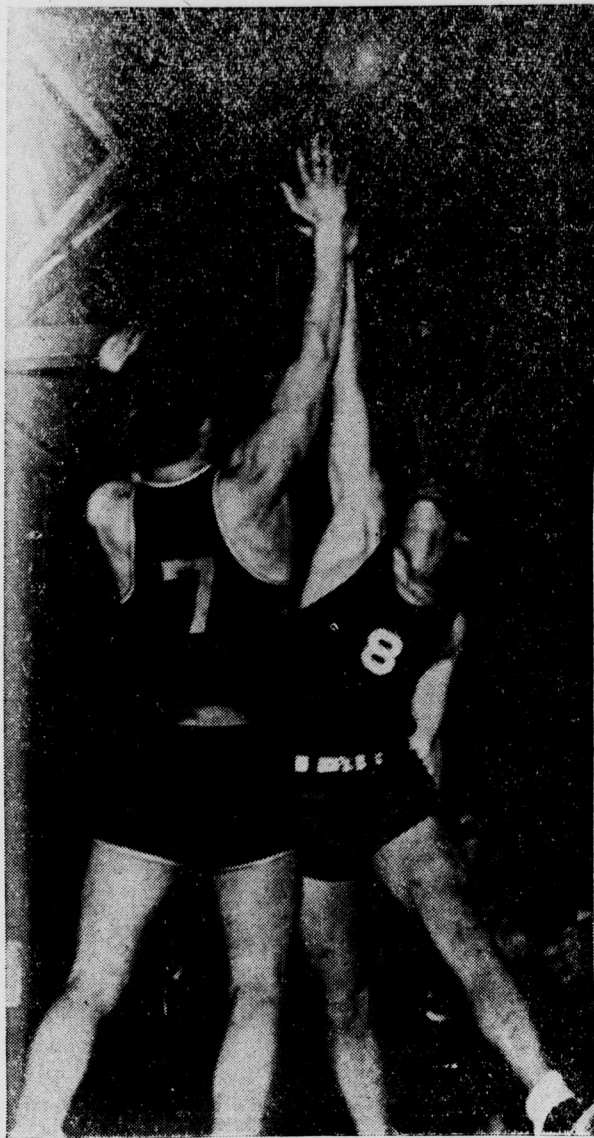

Campbell sends nine finalists, James Lick enters five; Los Gatos four, Fremont has three and Santa Clara enters one man.

Finals for each classification will be determined tomorrow afternoon and finals are Saturday.

Mrs. NORA WILSON of South 4th Street was honored on the occasion of her 65th birthday (on Friday the 13th!) at a luncheon party given by her daughter, Mrs. A. D. HOUSTON of Saratoga.

The lovely birthday cake, made by Mrs. NADINE BALL, graced a table decked with bouquets of flowering peach and Valentines with ribbons.

Attending the party were Mesdames HAZEL ATKINSON, JIM ENYART, PEARL MEARS, EDNA SMITH, NELLIE WRAY, JESSEE LILLINGSTON, ALICE HALL, MABEL REILLY, NORA WILSON and A. D. HOUSTON.

SWISH! Another basket, another game for Campbell's once-beaten lightweights. This one happened last Friday when the Buclets overran Los Gatos Kittens, 46-23. Tomorrow evening the lightweight Bucs host Fremont to end the season. In picture Bob Herring (7) of the Kittens pushed one over the guard of Campbell's Arnaud (8).

When winter weather threatens mountain telephone lines, Jim Carson and his fellow linemen roll out to make sure calls go through.

Jim Carson—Telephone Trouble Shooter

The story of how telephone men see that your calls go through in any weather

"Jim Carson" could be any one of the thousands of telephone trouble shooters on the job in the West. And he's mighty busy when blizzards strike in the mountains. When the electronic testing equipment spots possible trouble on telephone lines, Jim and a telephone crew are dispatched to stop the trouble before it can interrupt service. Often while a storm is still raging, they are on the job—clearing lines—helping to make sure your telephone calls go through quickly, reliably.

When disaster strikes

Flash floods, forest fires, earthquakes—these are disasters which can strike a community. But you can be sure that telephone men and women will be on the job in times of crisis—maintaining telephone service which can have a value beyond price as vital telephone calls go through.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

Radio telephone keeps Jim and his fellow linemen in touch with their home telephone base. If necessary, they may call upon emergency telephone equipment which is stock-piled at strategic locations up and down the West. After the storm, Jim and his crew may patrol lines for potential trouble spots—leaning poles, broken branches, wires buried in towering snowdrifts. It's constant checking like this that keeps your service dependable. And, of course, keeping your service reliable in any weather is just one more way we make sure your telephone service remains the finest in the world.

The miracles that come in cans

Once upon a time oranges were rare, expensive luxuries. Only the richest kids in town could afford them. If you were lucky you got one a year—in the toe of your Christmas stocking.

Today, millions enjoy healthful orange juice packed in cans. The vitamins and minerals you get this way are just one example of an everyday miracle of modern living that every California family takes pretty much for granted.

What brought about this miracle—and many others like it? The answer is simple. It was your demand for better, more appetizing, more healthful foods of all kinds. These demands were met by American business (including American Can Company), devoted to bringing you better products at lower cost.

Satisfying your needs has created

thousands of jobs in farming, food processing and distribution. It has required a lot of research—which has produced better and more convenient food containers. It has increased and stabilized farm income. It has even meant higher property values in some areas.

In fact, it would be hard for you to go through a single day without enjoying many of the benefits that have resulted directly from the activities of the canning and can-making industries in your State.

The 35,000 American Can Company people are proud of their part in this story of industrial progress.

Your free choice in buying more and more of what you need in cans has enabled them to perform many miracles in the past—and to promise even greater things in the future.

Legion Daughters To Adorn Float

Five little girls in crepe paper costumes will grace the American Legion Auxiliary's float in the Old Settler's Day Parade. Scheduled to participate are Susan Burch, Barbara Clever, Darlene Testa, Mary Knowles and Sandra Barrett. Mrs. Herbert Myring, Auxiliary president, is in charge of the parade entry, which will be adorned with a large cross composed of scarlet poppies made by hospitalized disabled veterans.

Plans for the float were completed at the Auxiliary meeting on February 12th. It was announced that during the Old Settler's Day festivities members of the Auxiliary will hold a sale of baked goods and beverages in the old Parker House at the corner of Railroad and East Campbell Avenues. Mrs. Rex Kaber will be in charge of the sale.

Plans were also made for the visit to be made by members to the Palo Alto Veterans' Hospital on Wednesday, February 18th.

It was announced that at the next meeting of the Auxiliary, on February 25th at 8:30 p. m., in the I. O. O. F. Hall, members of the United States Marine Corps Recruiting Service will show a sound picture on Korea entitled "Chosin to Hungnam". The Legion Post and Auxiliary will hold a joint meeting on this occasion, and others interested are invited to attend.

Business Women Honor Founder In Ceremonies

Campbell Business and Professional Women's Club as well as other BPWC organization throughout the country are honoring Susan B. Anthony, founder of their national federation in meetings this week.

Miss Anthony, one of America's champions of Women's rights, said, "The true republic men, their rights and nothing more; women, their rights and nothing less."

Born in Massachusetts, in 1820, Miss Anthony taught school in rural communities for 15 years, and it was during this time she came to realize some of the hardships women suffered and the injustice of their position before the law.

Her public career began in 1852, when she organized the first state Women's tax Temperance Society in the United States. She spent the next 50 years fighting for women's rights.

By persevering efforts, she won many victories in securing improved laws regarding women.

When she died in 1906, women did not yet have the right to vote; but it was largely as a result of her untiring efforts that the 19th Amendment, giving women this right, was finally added to the Constitution in 1920.

Some time ago, a Susan B. Anthony fund was begun to collect enough money to purchase a statue of Miss Anthony for the Hall of Fame. She was one of the very few women to be so honored.

Mrs. Ira A. Beal Talks to Club About Australia

Mrs. Ira Beal guest speaker at the February 11th meeting of Pundita Circle, gave a very interesting account of her trip to Australia in 1951. Mr. and Mrs. Ira A. Beal are former Campbell residents and have many friends here. They moved to Arizona some years ago and have recently returned here while preparing for permanent establishment in Australia, where their son Herbert has settled with his family. Mrs. Beal's mother, Mrs. Toll of Rincon Avenue, will also make her home in Australia with the Beals.

Mrs. Beal flew from Tucson to Australia in March, 1951, to visit her son. After an enjoyable and well-planned trip, of which she recalls many delightful details, she arrived at her son's home near Renmar. The climate there, she stated, is like that of Southern California, and bountiful flowers and year-round vegetables are raised. Many buildings are of the mission type; eucalypti, jacaranda, palms and acacia, the national flower of Australia (known there as "wattles") add to the resemblance of the country to our state. Almost everything grows in the rich, sandy soil. The citrus industry was organized there by the Chaffee brothers who started the orange groves of Riverside and Ontario, California. Rain is sporadic, as in Arizona, and is never heavy.

Prevalent, said Mrs. Beal, are laughing jackasses, wild ducks and parrots of green, red and blue.

Mrs. Beal's son has purchased 30 acres at half the price such a farm would cost in the United States. About 60,000 American veterans have taken advantage of the liberal farm-buying program in Australia.

Cooperative stores aid the economy of the farmers, paying bonuses annually. Prices are extremely low, with cheese at 18 cents a pound, butter 28 cents, steak 18c a pound, bread 9½ cents a loaf, and liver (generally eaten in Australia, only by cats) 4 cents a pound. The government adjusts prices with wages. Mrs. Beal stated, and the standard of living is relatively equalized, with few wealthy people and few slums; most of the population belonging to a comfortable middle class. The government requires that lots be large enough for comfortable homes with sizeable yards.

College educations are given gratis to those who qualify. There is a splendid program of visiting nurses and a free baby clinic is open every day in Renmark. In that small town there are 13 churches, 6 banks, a hospital, a "pub" and a hotel. The hotel is owned by the community, and the profits from the pub pay the expenses of the hospital. In two years there has been only one occupant of the Renmark jail. Radio stations are owned by the government, and the programs are not accompanied by commercials.

For all its advantages, Australia has its shortcomings, as Mrs. Beal noted. She found the stores quite amusing and hardly in a class with our supermarkets. The country, she stated, is about 20 years behind the United States mechanically; although American brands of

Home Economics To Sponsor Breakfast Meet

Home Economics of Orchard City Grange met Friday at the home of Mrs. Lambert Skillman on Flagg Ave.

After a delicious dessert luncheon served by Mrs. Skillman and her co-hostess, Mrs. Nellie Rutherford, the meeting was called to order by the president Mrs. Bessie Merrill.

After devotionals by Mrs. Clara Baldwin, and the salute to the flag the business of the day was taken care of.

It was decided to hold a scrambled egg breakfast in the IOOF Hall on October 8 with the public to be invited.

It was voted to help on April 2, with the Grange Ham dinner also to be open to the public.

Nancy Aoki Elected To Scout Club Head

Nancy Aoki was elected president of Girl Scout Troop 194 of Rosemary School at a recent regular meeting. Other new officers elected were: Elizabeth Guidicotti, secretary; and Shirley Blerle, treasurer.

Retiring officers are: Sharin Mulsow, Nancy Ullman and Judy Reuse.

Plans were made to participate in the Old Settler's Day Parade next Monday.

The troop also celebrated its first birthday with a skating party.

Refreshments were served before leaving for Rollerland rink.

Electrical appliances are cheaper there they are harder to obtain; washing machines are very scarce, and women in rural areas still wash in "coppers". Television is as yet in the big cities only. Roads are macadamized but are not comparable with our big highways. A minor drawback, is the inferior coffee used by a population mostly given to tea drinking.

The Beals plan to leave for their new home around the end of the month.

The talk was enjoyed by 20 members and two guests of Pundita Circle at the San Tomas Road home of Mrs. John T. Flohil, Mrs. Flohil, with co-hostesses Mrs. M. E. Mumma and Mrs. Ethelda Minehart, served ice cream nut-roll with cookies and stollen, tea, coffee and candies, on gay Valentine trays.

The next meeting of Pundita Circle will be held February 25th at the home of Mrs. J. E. Wesley on Parr Avenue.

Business Women Hear Iraq Guest

Over fifty members and guests of Campbell Business and Professional Women's Club enjoyed an international Relations Dinner at the Red Coach Inn last week. Mrs. Evelyn Cobb, chairman for the evening introduced the speaker, Sargon Rustum from Iraq a student at the University of Santa Clara.

Home Extension Issues Invitation

Tips on sewing cotton dresses will be available to the wise woman who attends the next meeting of the Cambrian Home Extension to be held Wednesday, February 25th, from 10 a. m. till noon in the Cambrian Youth Center.

The Home Extension is sponsored by the county and is completely free. Experts in home economics present such practical topics as preparation of food for home freezers, patio meals, making of slip covers, good grooming, are on the extension calendar, past and future.

Everyone is welcome; the service and fellowship is not limited to Cambrian residents only. Brunch is served, paid for by 'passing the cup', in which contributors are asked not to place more than 15 cents. Luncheon is sometimes served, if meal planning is a part of the day's project, and the cost is pro-rated.

Child care is provided in the same building, with Mrs. Barbara Shelton in charge. Mrs. Shelton and her year-old son are very popular with small fry.

The Cambrian group would like to see new faces at their meetings. To join the group one needs only to attend.

Those driving to the Cambrian Youth Center are asked not to drive through the school grounds but to drive on Union Avenue, turn onto Cambrian Avenue and again onto Briarwood Avenue to the entrance to the school.

Officers of the Cambrian Home Extension are chairman, Mrs. Marvin Hudson; vice chairman, Mrs. Rene Montrezza; second vice chairman, Mrs. T. F. Hiland; secretary, Mrs. M. G. Estabrook; treasurer, Mrs. Max Nigl; publicity chairman, Mrs. Fred Starbuck; sunshine chairman, Mrs. O. G. Hunt; decorations chairman, Mrs. W. C. Dose; historian, Mrs. Don Hancock; telephone chairman, Mrs. Zeno Hallett; youth guidance chairman, Mrs. James Goble; gift kit chairman, Mrs. Richard Gordon.

CAMBRIAN SALES DRIVE FOR CHURCH STILL UNDER WAY

Cambrian Park residents wishing to subscribe to the Campbell Press are reminded by Miss Dorothy Gleason, pastor of Cambrian Park Methodist Church, that all proceeds from the sales, solicited by local boys and girls will go toward reaching \$25,000 goal to finance new church being built on the corner of Wyrick and Gunstan Way.

First unit of the proposed \$400,000 church construction was started Monday by San Jose contractor, Don Matthews. First unit consisting of Fellowship hall, stage, offices and pastor's study will cost \$45,000.

Proceeds from Press sales are expected to help raise \$7,000 along with other donations according to pre-building plans of church officials.

Building program will only be made possible, Miss Gleason said, by donations of time, labor and materials.

Parishioners already have banded together to form a volunteer part time labor force under the direction of Leonard Deitrick, chairman of building commission. Children are helping in the work by soliciting sales of Campbell Press subscriptions.

The sons and daughters sales force has been divided into two groups who will compete against each other. Winning group will enjoy a dinner provided by the losers.

Cambrian residents wishing to phone in subscriptions may indicate that money be donated to Cambrian Park Church building fund.

News and other items for the Press columns may be phoned to FRanklin 8-6600 or FRanklin 8-3225.

The Cambrian group acted as hostesses at the county-wide meeting held February 16th at St. Paul's Methodist Church in San Jose.

Decor for the event, by Mrs. W. C. Dose, was beautifully done, with almond blossoms and yellow jasmine and valentine hearts on streamers. Strawberry shortcake, coffee, sugared nuts and candy were served by Mesdames O. G. Hunt, Herbert Gilbert, Max Nigl, Fred Starbuck and Rudy Zahl. Other Cambrian members in attendance were Mesdames George Nimmis, James Goble, Marvin Hudson, M. G. Estabrook and John White.

Dr. Doris Parkinson showed a film on breast cancer and how to detect it; she gave a talk on the subject and answered questions put by the ladies.

Mrs. Mary Starin informed the group that Mrs. Winifred Jecker, formerly a home advisor here, has found an apartment in New York and will study radio and television at Columbia University; later she will tour Europe.

Plans were made at the meeting for two trips, one to Montalvo and one to the offices and laboratories of Sunset Magazine and to the Allied Arts.

When we moved from the East Coast we really found out...

Gas and electricity are cheap in California

says Mrs. Joseph E. Bare of San Francisco, shown here with her grandson, Tim

How P. G. and E.'s low rates save Mrs. Bare money...

In their charming San Francisco home, the Bares use these appliances for household comfort and convenience:

The Bares' P. G. and E. bill last month... \$15.96

In her former Eastern home the same amount of gas and electricity would cost \$30.24

When Mr. and Mrs. Bare came West four years ago, they discovered, as so many other newcomers have, that gas and electricity cost much less here than in their former home.

Let P. G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts. Nothing else you buy does so much—costs so little.

cert at a \$2.50 top. We refer of course to the great Alec Templeton Recital to be presented in the Campbell Union High School Auditorium on Monday night, March 2nd.

You know of course that students of all schools in our high school district are selling tickets at \$2.50, \$1.50, and \$1.25, and that you're not only getting more than your money's worth but aiding a great cause. All profits from this concert go to your Recreation District to operate eight playgrounds all summer and now on Saturdays, the high school swimming pool, night softball league, music program etc.

But do you know that Templeton is truly one of the world's great artists? He's played all the big concert halls, many at astronomical prices, had radio and tv experience, made over a thousand top drawer recordings, and has composed all kinds of music for lowbrows as well as longhairs. He is living proof that high class music can be entertaining as well as uplifting, and better than any living artist has pleased both sides of the critical public at the same time.

Need we remind you to get your ticket now for one of Campbell's biggest ever evenings? Circle the 2nd of March now on your calendar. Nothing you could plan for that evening could be more significant.

CONGRATULATIONS TO.....

Junior Eddie Long though he only took second in the big recent Future Farmer Public Speaking Contest. We leave you this week with a surprisingly mature comment Ed made in our history class this morning:

"After all money won't buy you the things you really want anyhow. Take me for example—what I want to be is a farmer and I surely can't buy all I need to know; I have to learn it the hard way. And it's fun working for something rather than have it handed to you on a silver platter."

With that kind of spirit, Eddie will get his Australian forty acres or whatever else he wants in this life.

A REAL BARGAIN.....

In a day when the dollar only buys 57 cents worth of most things, we should all jump at the chance to attend a five dollar concert

CAMPBELL HI-LITES

by Bob Olson

AT LOS GATOS....

It was quite evident who had the "spirit" in the Wildcat's Lair last Friday night. Campbell had a lot to cheer about and cheered a lot before, during, and after one of the greatest doubleheaders a Buc athletic team has ever garnered. To win is always sweet; to trounce the Los Gatos varsity 66-31 in their own "hard to play in" gym is confectioners sugar.

Friday night the Bucs were confident without being cocky. Tom Hansen shot as though he had eyes in the back of his head. Coach Bert

Robinson used everything on the bench and still couldn't keep the end as though he might even put score down; it looked toward the team manager, Don Harris, wet fans yelled when a man went in and when he came out; their lusty cheers persuaded even the faculty members present to remove their coats so that we really presented and all-white-attired rooting section. At Los Gatos, Campbell had student body representatives as well as a team to be proud of. Our 52-53 spirit is out of this world!

BUT THIS FRIDAY?.....

Ah, but this week is the big one. In the last basketball game of the season the Bucs face this year's toughest opponent, Fremont. In the battle for the title. This last important doubleheader starts at 7:30 P. M. Friday, and will be played in

the Campbell gym before what should be the season's biggest crowd. So, if you plan on being part of the mob, come out early and reserve your own seat. If we can only slide by Fremont, and James Lick takes care of Washington Friday night, the Bucs will be solo SCVAL champs. But even if the Huskies do take Lick, we can still share the title with this one last big victory. Come on out and thrill to another of our crucials.

MAT MENACE MUNTZ.....

Another SCVAL title will be decided Friday afternoon when Campbell tries to wrestle its last meet of the season away from James Lick. Mr. Miskulin's Muscle Men have also had a fine season, and with little ballyhoo. Los Gatos also took a trouncing from them last Friday 31-10. We bent

back all of the wildcat's claws!

HEAVENLY DAZE.....

The next student body dance will be held on Friday night, Feb. 27, from 9-12 P. M. in the girls' gymnasium, and is being heavily advertised under the above title. Boasting "the sweetest music this side of San Jose," and a Mediterranean setting, it requires only an attire of dressy sport (which means ties for boys) and a student body card, for admission. The telephone lines are already busy arranging dates for this starlight shindig which should prove a perfect climax for a fast February.

OLD SETTLERS' DAY

This is the day that Campbell loves. When her children come wandering home, From near and far, They heed the call, And their footsteps cease to roam.

Some are workers of the world Some have climbed the ladder of fame

Yet ever they hold as dearest The sound of the Campbell name Some have found wealth along life's way,

Others toil in labor's mill, Yet here they are boys and girls again

Just loving school mates still! Eagerly they take the trip To Campbell where the journey ends

Back among the old scenes To the meeting of old friends To a City, now we call them In pride, our heart beat thrills But the welcome, the same as always

To the village among the hills. Clara Beebe Baldwin
